Primary Canteen is open

Monday, Wednesday & Friday
Another week has flown by and it is clear that everyone has got into the rhythm of another school year. However communication with you is essential if we are to provide the best possible opportunities for your child. Please remember to ask your child if they have any notes/information in their bags and contact the school if your e-mail/phone details change. We still have many outstanding general permission notes. These notes allow your child to walk to local events and general photo publications allowing us to display students photo’s in Newsletters etc. If you have misplaced a note or would like another one please contact the school.

There was a great attendance for the P&C meeting with approximately 25 parents participating in the discussion on uniforms and other school issues. Thank you to David Jones from Lowe’s Menswear who spoke at the meeting. I hope this trend continues in the coming months as it is fantastic to see parents showing a keen interest in the school and their child’s education. I am looking forward to working with everyone this year and hope to get a few more parents involved with the development of our three year strategic school plan. A reminder that the next P&C meeting (AGM) will take place on Wednesday 18th March (change of date) in the primary staffroom at 6.00 pm. Child minding services are available and I look forward to seeing you there.

School uniforms in our primary school are slowly being rolled out with our K/1 class already given a shirt and the rest of the school following in coming days. If you have not done so already please return the note indicating the size of shirt needed or contact the office and let them know.

I think all would agree the new shirts look great.
From the Deputy…

My first impressions of Barraba Central have been very positive. I enjoyed the swimming carnival on Friday 6 February and I thought the atmosphere, general friendliness and participation on the day was very good. Congratulations to Copeton house on their win.

I accompanied the secondary leaders to the primary SRC induction ceremony last Friday and it was an enjoyable afternoon.

Until next time.......
